Not a Poor Race on the Card of the Clifton Track.

Fourth Race May Furnish the Feature of the Day.

The racing at Clifton today should be worth the journey to the track. There is not a poor race on the card.

The opening event is a dash and will furnish a good race. The two-year-olds will make a merry scramble in the second.

The track will be dry and fast. The entries and selections are as follows: First Race—Purse \$100, for three-year-olds and upward, selling allowance: six and a half furlongs.

1933 J. Casey's Airtail 112
1934 E. J. McKelvey's Stomping 119

Two Things ABOUT Catarrh in the Head

First—it is a constitutional disease. Prof. Gross, a leading scientist, says: "Catarrh is a constitutional disease which manifests itself by local symptoms." Dr. Leo Lewis says: "Catarrh is not a disease of the nose, it is a disease of the system. Therefore he says and other local applications are useless."

They took provisions and other supplies from the stores, looted the Custom-House, carrying away twenty-five carabines and pistols, 500 rounds of ammunition and \$200 in money.
